OUR STORY

For nearly two decades, Artevasi has been redefining the art of **pot manufacturing**, delivering 100% sustainable, high-quality solutions to the global market. With **fully in-house production**, we guarantee total control over quality, innovation, and sustainability - positioning ourselves as the one-stop solution

for professionals worldwide. Every day, we produce thousands of pots in Portugal across three premium collections:

**Recycled Plastic;
Handmade and
Machine-made Ceramics;
Traditional Terracotta.**

[PT]

Há quase duas décadas que a Artevasi tem vindo a redefinir a arte do fabrico de vasos, oferecendo soluções 100% sustentáveis e de elevada qualidade ao mercado global. Com uma produção totalmente interna, garantimos um controlo total sobre a qualidade, inovação e sustentabilidade, posicionando-nos como a solução única para profissionais de todo o mundo. Todos os dias, produzimos milhares de vasos em Portugal em três coleções premium: plástico reciclado, cerâmica feita à mão e à máquina e terracota tradicional.

OK Recycled Certification

In 2024, we earned the certification that guarantees the integration of **at least 65% or more recycled material in our plastic collection**. Currently, 97% of our plastic collection has this certification, making us the second Portuguese company to achieve this distinction. This is another green step in the way we do what we do best: create pots with a reduced environmental impact.

[PT]

Em 2024, obtivemos a certificação que garante a integração de, pelo menos, 65% ou mais de material reciclado na nossa coleção de plástico. Atualmente, 97% da nossa coleção de plástico contém esta certificação, pelo que somos apenas a segunda empresa portuguesa a obter esta distinção. Este é mais um passo verde na forma como fazemos o que sabemos fazer melhor: criar vasos com um impacto ambiental reduzido.

[FR]

En 2024, nous avons obtenu la certification garantissant que notre collection en plastique intègre au moins 65 % de matériaux recyclés. Actuellement, 97 % de notre collection en plastique est certifiée, ce qui fait de nous la deuxième entreprise portugaise à obtenir cette distinction. C'est une nouvelle avancée durable dans notre façon de faire ce que nous maîtrisons le mieux : fabriquer des pots en minimisant leur empreinte écologique.

[DE]

Im Jahr 2024 haben wir die Zertifizierung erhalten, die garantiert, dass unsere Kunststoffkollektion mindestens 65 Prozent oder mehr recyceltes Material enthält. Derzeit sind 97 Prozent unserer Kunststoffkollektion zertifiziert, womit wir erst das zweite portugiesische Unternehmen sind, das diese Auszeichnung erhalten hat. Dies ist ein weiterer grüner Schritt in der Art und Weise, wie wir das tun, was wir am besten können: Blumentöpfe mit geringeren Umweltauswirkungen herstellen.

> 77.000 pots produced per day

> 17 million pots shipped per year

[PT]

A durabilidade, versatilidade e reutilização do plástico permitem-nos explorar diferentes tamanhos, formas, cores e acabamentos. Na produção dos nossos vasos de plástico, valorizamos todos os nossos resíduos internos e apenas 3% dos resíduos de produção são enviados para operadores de gestão de resíduos, promovendo ao máximo a economia circular.

[FR]

La durabilité, la polyvalence et la réutilisation du plastique nous permettent d'expérimenter une variété de tailles, de formes, de couleurs et de finitions. Dans la production de nos pots en plastique, nous valorisons tous nos déchets internes, et seulement 3 % des déchets de fabrication sont envoyés à des opérateurs de gestion des déchets, contribuant ainsi pleinement à l'économie circulaire.

[ES]

La durabilidad, versatilidad y reutilización del plástico nos permiten explorar diferentes tamaños, formas, colores y acabados. En la producción de nuestras macetas de plástico, valorizamos todos nuestros residuos internos y solo el 3 % de los residuos de producción se envía a gestores de residuos, fomentando al máximo la economía circular.

[DE]

Die Haltbarkeit, Vielseitigkeit und Wiederverwendbarkeit von Kunststoff ermöglicht uns, verschiedene Größen, Formen, Farben und Oberflächenbehandlungen zu erkunden. Bei der Herstellung unserer Blumentöpfe aus Kunststoff verwerten wir all unsere internen Abfälle, und nur 3 Prozent der Produktionsabfälle werden an Abfallmanagementunternehmen weitergeleitet, wodurch wir die Kreislaufwirtschaft bestmöglich fördern.

WAVY ORCHID POT

Inspired by the beauty of the beaches and climate of the iconic Florida city, the Miami range features an *elegant silhouette and vibrant colours* to elevate any decor, with the option of an orchid pot. It also has a beautiful matte finish and a water drainage blocker in the largest size. The shape of waves inspires the lines of the Wavy model, which also has an option for orchids.

[PT]

Inspirada na beleza das praias e do clima da icónica cidade da Flórida, a gama Miami apresenta uma silhueta elegante e cores vibrantes que elevam qualquer decoração, com opção de vaso para orquídea. De igual forma, conta com um belo acabamento mate e tampão para drenagem de água no tamanho maior. As linhas do modelo Wavy inspiram-se na forma das ondas, também com opção para orquídeas.

[FR]

S'inspirant des plages et du climat ensoleillé de la célèbre ville de Floride, la gamme Miami allie une silhouette raffinée à des couleurs éclatantes, apportant une touche vibrante à toute décoration, avec une option de pot dédiée aux orchidées. Elle dispose également d'une finition mate soignée et d'un couvercle pour le drainage de l'eau, spécialement conçu pour le modèle de grande taille. Les lignes sinueuses du modèle Wavy, inspirées par la forme des vagues, sont également disponibles avec une option pour les orchidées.

[ES]

Inspirada en la belleza de las playas y el clima de la emblemática ciudad de Florida, la gama Miami presenta una silueta elegante y llamativos colores para elevar cualquier decoración, con la opción de una maceta para orquídeas. También tiene un bonito acabado mate y una tapa de vaciado en el tamaño más grande. Las líneas del modelo Wavy se inspiran en la forma de las olas, también con opción para orquídeas.

Uma gama de floreiras e vasos quadrados com linhas elegantes, profundamente inspiradas na arquitetura esplêndida da cidade australiana de Sydney. Com um design inovador, aspeto texturado e acabamento mate, a gama Sydney apresenta parede dupla, o que aumenta a resistência e durabilidade do produto, evitando deformações ou ruturas. Da mesma forma, os vasos e floreiras Sydney contam com reserva de água e orifícios de drenagem para prevenir o encharcamento, melhorar a ventilação das raízes e permitir a sua utilização tanto no interior como no exterior.

[FR]

Une gamme de jardinières et de pots carrés au design élégant, directement inspirée par l'architecture remarquable de la ville australienne de Sydney. Dotée d'un design innovant, d'un aspect texture et d'une finition mate, la gamme Sydney bénéficie d'une paroi double, garantissant une résistance et une durabilité exceptionnelles, tout en prévenant les déformations et les fissures. De plus, les pots et jardinières Sydney sont équipés d'un réservoir d'eau et de trous de drainage, permettant de prévenir l'excès d'humidité, d'améliorer la circulation de l'air autour des racines et de garantir une utilisation aussi bien en intérieur qu'en extérieur.

Capri

A classic that never goes out of fashion. Inspired by the natural beauty of the Italian island of Capri, this range recaptures the essence of the terracotta pots' shape, providing a perfect harmony between *classic silhouettes and modern looks*. The Capri range features various models and colours for all styles and contexts, from balcony and wall solutions to orchid pots and water reserve pots. It also offers various sizes, from pots for smaller plants to large and very large plants (pots up to 1 metre high). Produced using recycled material, the Capri range is a strong trend that is essential in any store.

[PT]

Um clássico que nunca sai de moda. Inspirada na beleza natural da ilha italiana de Capri, esta gama recupera a essência da forma dos vasos de terracota, proporcionando uma harmonia perfeita entre as silhuetas clássicas e o aspeto moderno. A gama Capri apresenta vários modelos e cores para todos os estilos e contextos, desde soluções de varanda e parede, até vasos para orquídeas e com reserva de água. Da mesma forma, dispõe diversos tamanhos, desde vasos para plantas mais pequenas, às plantas grandes e muito grandes (vasos com até 1 metro de altura). Produzida com recurso a material reciclado, a gama Capri é uma forte tendência, essencial em qualquer loja.

Un classique indémodable. Inspirée par la beauté naturelle de l'île italienne de Capri, cette gamme reprend l'essence de la forme des pots en terre cuite, en offrant une harmonie parfaite entre les silhouettes classiques et les aspects modernes. La gamme Capri propose différents modèles et couleurs pour tous les styles et contextes, des solutions pour balcons et murs, aux pots pour orchidées et réserves d'eau. Elle propose également différentes tailles, des pots pour les petites plantes, en passant par les grandes et mêmes pour les plus grandes (pots jusqu'à 1 mètre de haut). Produite à partir de matériaux recyclés, la gamme Capri est une tendance forte qui s'impose dans tous les magasins.

Saucers

ROUND SAUCER

SAUCER WITH WHEELS

TRANSPARENT SAUCER

Our range of saucers is the perfect complement for indoor or outdoor use, with frost-proof properties and made from recycled material. Our **round saucers** are designed to contain **water drainage**, with a wide variety of colours and sizes, perfectly complementing all the round models in the Capri, Venezia and Madagascar ranges. **Saucers with wheels** are ideal for providing easy movement of round pots. The transparent saucers, on the other hand, keep their function; however, by their absence of colour, they guarantee discretion and subtlety to any indoor or outdoor decoration, offering the main focus to the plant.

[PT]

A nossa gama de pratos é o complemento perfeito para uso indoor ou outdoor, com propriedades resistentes ao gelo e feita a partir de material reciclado. Os nossos pratos redondos foram concebidos para conter a drenagem de água, com uma grande variedade de cores e tamanhos, complementando na perfeição todos os modelos redondos das gamas Capri, Venezia e Madagascar. Os pratos com rodas são ideais para proporcionar uma fácil movimentação dos vasos redondos. Por sua vez, os pratos transparentes mantêm a sua função, contudo, pela sua ausência de cor, garantem discrição e sutileza a qualquer decoração indoor ou outdoor, oferecendo o foco principal à planta.

[FR]

Notre gamme de soucoupes est le complément parfait pour une utilisation intérieure ou extérieure, avec des propriétés antigel et fabriquées à partir de matériaux recyclés. Nos soucoupes rondes sont conçues pour contenir l'écoulement de l'eau, avec une grande variété de couleurs et de tailles, complétant parfaitement tous les modèles ronds des gammes Capri, Venezia et Madagascar. Les soucoupes à roulettes sont idéales pour faciliter le déplacement des pots ronds. Les soucoupes transparentes, quant à elles, conservent leur fonction mais, par leur absence de couleur, elles garantissent discrétion et subtilité à toute décoration d'intérieur ou d'extérieur, en mettant l'accent sur la plante.

[ES]

Nuestra gama de platos es el complemento perfecto para interiores o exteriores, con propiedades resistentes a las heladas y fabricados con material reciclado. Nuestros platos redondos están diseñados para contener el drenaje del agua, con una amplia variedad de colores y tamaños, complementando perfectamente todos los modelos redondos de las gamas Capri, Venezia y Madagascar. Los platos con ruedas son ideales para facilitar el desplazamiento de las macetas redondas. Los platos transparentes, por su parte, mantienen su función; sin embargo, por su ausencia de color, garantizan discreción y sutileza a cualquier decoración de interior o exterior, ofreciendo el protagonismo a la planta.

Unser Sortiment von Untersetzer ist die perfekte Ergänzung für den Innen- und Außenbereich, frostbeständig und aus recyceltem Material hergestellt. Unsere runden Untersetzer sind so konzipiert, dass kein Wasser ausläuft. Sie sind in einer Vielzahl von Farben und Größen erhältlich und passen perfekt zu den runden Modellen der Serien Capri, Venezia und Madagascar. Die Untersetzer mit Rädern sind ideal für den einfachen Transport der runden Töpfe. Die transparenten Untersetzer wiederum behalten ihre Funktion, garantieren aber durch ihre Farblosigkeit eine diskrete und subtile Dekoration im Innen- und Außenbereich und stellen die Pflanze in den Mittelpunkt.

Fiji

ORCHID POT

Inspired by the beauty of the Fijian flora, this is a pot for *orchid lovers*. A raised bottom keeps the roots away from the water, so the plants grow beautifully and healthily. Likewise, Fiji presents several attractive colours, including three options in transparent, providing close contact of the roots with the sunlight.

[PT]

Inspirado na beleza da flora das ilhas Fiji, este é um vaso para os apaixonados por orquídeas. Com um fundo elevado, permite que as raízes se mantenham afastadas da água, para que as plantas cresçam bonitas e saudáveis. De igual forma, o Fiji apresenta várias cores atrativas, entre as quais três opções em transparente, proporcionando um contato próximo das raízes com a luz solar.

[FR]

Inspiré par la beauté de la flore fidjienne, ce pot est destiné aux amoureux d'orchidées. Un fond surélevé maintient les racines à l'écart de l'eau, de sorte que les plantes poussent magnifiquement et sainement. De même, Fiji présente plusieurs couleurs attrayantes, dont trois options en transparent, ce qui permet aux racines d'être en contact étroit avec la lumière du soleil.

Distinct

Havana

Conceived from the colourful and vibrant spirit of Cuban streets, beaches and music, Havana is a range that connects with Nature organically and singularly through its *textures* inspired by elements such as waves or the horizon. The *patterns and shapes* are disruptive elements that create a perfect symbiosis with the colours inspired by natural resources found in Nature, such as earth, granite, moss, etc. All pots have a plug, certifying their use indoor and outdoor. Likewise, they are light, and the high pots have an insert to give lightness and ease of transport. Havana Natural has the biggest size - 70cm tall -, dedicated to big dimension plants, offering *versatility* to the range. When merged with the surrounding space, this innovative and functional range provides a sensory experience close to genuine contact with Nature.

[PT]

Concebida a partir do espírito colorido e vibrante das ruas, praias e músicas cubanas, a Havana é uma gama que se conecta com a Natureza de uma forma orgânica e singular através das suas texturas inspiradas em elementos como as ondas ou o horizonte. Os padrões e formas são elementos disruptivos que criam uma simbiose perfeita com as cores inspiradas nos recursos naturais encontrados na Natureza, como a terra, granito, musgo, etc. Todos os vasos contam com plug, possibilitando o seu uso para indoor e outdoor. Da mesma forma, são leves, sendo que os vasos altos dispõem de insert para conferir leveza e facilidade de transporte. O vaso Havana Natural dispõe do tamanho maior - 70cm de altura -, adequado a plantas de grande dimensão, oferecendo versatilidade à gama. Quando fundida com o espaço envolvente, esta gama inovadora e funcional proporciona uma experiência sensorial e próxima do verdadeiro contato com a Natureza.

[FR]

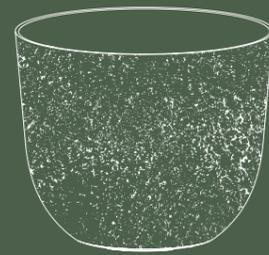

Conçue à partir de l'esprit coloré et vibrant des rues, des plages et de la musique cubaines, Havana est une gamme qui se connecte à la nature de manière organique et singulière grâce à ses textures inspirées d'éléments tels que les vagues ou l'horizon. Les motifs et les formes sont des éléments innovants qui créent une symbiose parfaite avec les couleurs inspirées des ressources naturelles, telles que la terre, le granit, la mousse, etc. Tous les pots sont munis d'un bouchon, ce qui certifie leur utilisation à l'intérieur et à l'extérieur. De même, ils sont légers, et les pots hauts sont dotés d'un insert qui leur confère légèreté et facilité de transport. Havana Naturel a le plus grand format, dédié aux plantes de grande dimension, offrant une versatilité à la gamme. Associée à l'espace environnant, cette gamme innovante et fonctionnelle offre une expérience sensorielle proche d'un véritable contact avec la Nature.

Al fundirse con el espacio circundante, esta gama innovadora y funcional proporciona una experiencia sensorial cercana al auténtico contacto con la Naturaleza.

[DE]

Havana ist eine Serie, die aus dem farnefrohen und lebendigen Geist der kubanischen Straßen, Strände und Musik entstanden ist und sich durch ihre Texturen, die von Elementen wie Wellen oder dem Horizont inspiriert sind, auf eine organische und einzigartige Weise mit der Natur verbindet. Die Muster und Formen sind herausragende Elemente, die eine perfekte Symbiose mit den Farben bilden, die von natürlichen Ressourcen der Natur inspiriert sind, wie Erde, Granit, Moos usw. Alle Pflanzgefäße haben einen Stöpsel, so dass sie sowohl für den Innen- als auch für den Außenbereich geeignet sind. Außerdem sind sie leicht, und die Hochtöpfe haben einen Einsatz, der für Leichtigkeit und einfachen Transport sorgt. Die Havana Natural ist der größte Topf, die sich für große Pflanzen eignet und die Vielseitigkeit des Sortiments unterstreicht. In Verbindung mit dem umgebenden Raum bietet diese innovative und funktionelle Serie eine sensorische Erfahrung, die dem echten Kontakt mit der Natur nahe kommt.

HAND TROWEL

HAND RAKE

The Barcelona range is inspired by the Mediterranean nature of the Catalan capital, surrounded by beaches, natural parks, and kilometres of green. The plastic hand trowel is ideal for digging difficult soils, turning the soil, or caring for garden plants. The hand rake plays a crucial role in *garden maintenance*, being useful for collecting leaves or dirt and improving the health of the soil. With a *matte finish* and available in anthracite colour, the Barcelona range is the perfect complement for *gardening tasks*.

[PT]

A gama Barcelona inspira-se na Natureza mediterrânica da capital da Catalonha, ladeada por praias, parques naturais e quilómetros verdejantes. A pá de plástico é ideal para escavar em solos difíceis, revolver o solo ou cuidar das plantas da horta ou jardim. O ancinho desempenha um papel crucial na manutenção do jardim, sendo útil para recolher folhas ou detritos, além de melhorar a saúde do solo. Com acabamento mate e disponível na cor antracite, a gama Barcelona é o complemento perfeito para tarefas de jardinagem.

La gamme Barcelona s'inspire de la nature méditerranéenne de la capitale de la Catalogne, bordée de plages, de parcs naturels et de kilomètres de verdure. La bêche en plastique est idéale pour creuser dans les sols difficiles, retourner la terre ou s'occuper des plantes du potager ou du jardin. Le râteau joue un rôle crucial dans l'entretien du jardin, car il est utile pour ramasser les feuilles ou les débris, ainsi que pour améliorer la santé du sol. Avec une finition mate et disponible en anthracite, la gamme Barcelona est le complément parfait pour les tâches de jardinage.

Das Sortiment Barcelona ist von der mediterranen Natur der katalanischen Hauptstadt inspiriert, die von Stränden, Naturparks und kilometerlangen Grünflächen umgeben ist. Der Kunststoffspaten ist ideal zum Graben in schwierigen Böden, zum Lockern des Bodens oder zur Pflege von Pflanzen im Gemüsebeet oder im Garten. Die Harke spielt eine wichtige Rolle bei der Gartenpflege, da sie zum Aufsammeln von Laub oder Unrat sowie zur Verbesserung der Bodengesundheit nützlich ist. Mit einer matten Oberfläche und in Anthrazit erhältlich, ist das Sortiment Barcelona die perfekte Ergänzung für die Gartenarbeit.
